Products & Services

Fire alarm systems

- Addressable Systems
- Hard Wired Systems
- Fire Sprinkler Supervisory
- Voice Evacuation Network
- Multi-Building Network Systems
- VESDA Air Sampling
- Mass Notification

Fire suppression

- Clean Agent Systems
- VESDA Air Sampling
- Water Mist Systems
- CO2 & Inert Gas Systems
- Fire Sprinkler Inspections
- Fire Pump Inspections
- Backflow Preventer Inspections

Card access/security

- Card Access Door Security
- Photo-Badging Systems
- Closed Circuit Television
- Security Alarm Systems
- Integrated Systems
- Voice & Video Intercom

Services

- Sales, Installation, & Service
- Engineered Drawings
- Maintenance Agreements
- 24 Hour Service & Support
- Testing & Training
- State Certified Personnel
- Bi-Directional Amplifier (BDA)

Manufacturers

Fike

Clean agent fire suppression, air sampling, CO₂, water mist systems

Honeywell

Addressable analog systems, hardwire systems

Honeywell

Pro-Watch

Software
Card access, readers, badging systems

exacq

CCTV video surveillance, network video recording

speco technologies

CCTV video surveillance, network video recording

AXIS
COMMUNICATIONS

CCTV video surveillance, network video recording

fiplex

Telecommunications technology

BLUEPOINT
ALERT SOLUTIONS

Rapid Emergency Response Systems (RERS)

HALO
SMART SENSOR

All-in-one vape & environmental threat sensors

POTTER
The Symbol of Protection

Sprinkler monitoring, fire alarm systems, and corrosion solution products

*Only available at the Toledo office.
